

YOU'VE BEEN BOOED!

Boo! You've just been surprised with a Halloween treat by another dental office! Here's how you can keep the fun going:

- ★ Enjoy your treats! We hope they add a sprinkle of joy and Halloween fun to your day.
- ★ Place the "We've Been Booed" sign in a visible window, on your front door, or post to social media to let other practices know you've been "Booed"!
- ★ Put together your own boo bag or basket filled with treats, decorations, or anything that spreads the Halloween spirit! Don't forget to include a copy of these instructions and a "We've Been Booed!" sign. Additional copies can be found at www.medental.org
- ★ Secretly deliver your "BOO" treats to another dental office who has not been booed.

HAPPY BOO-ING!
